What do we do & Why do we do it

What We Do

Here at Iron Pillars Youth Ministry we aim at teaching the students of our community who God is and how they can have a personal relationship with Him. We do that in a number of ways. First, we teach them the Bible each week in a fun and relevant way so they can understand what God says. Second, we believe in building relationships with them through small group discussion and prayer. We have more than 10 adults who commit every Friday night to getting to know and love the students of this community through hanging out and talking, playing games, and by praying with and for them.

Why We Do What We Do

Today's culture is void of any meaning that comes from knowing the God of the Bible. Image and appearance have replaced character and morality, leaving the human existence void of anything of substance. The love of this world has replaced a love of God, resulting in a generation that pursues material prosperity and physical appearance over spiritual discernment. The present culture has greater physical health, prosperity, and possessions, but they also have greater degrees of depression, anxiety, and broken relationships. While the external condition of America continues to prosper, the internal condition continues to be broken. We know that it is only through a personal relationship with Jesus Christ that this internal brokenness can be healed and restored to its intended condition.

Our Goal

Our goal is to equip our students to stand spiritually strong at home, school, and play. Our desire is to lay a strong spiritual foundation, so by the time they graduate they will be ready to go.

What to Expect

What could your child expect?

Each student who attends our ministry will find a very safe, warm, and welcoming environment. Each child is loved and cared for equally. As they walk through our youth room doors the first thing that will appeal to their senses is the smell of popcorn. Every week there is no shortage of snacks. We also provide dinner food every Friday night. Throughout the year parents are encouraged to pick a date to provide food for our students. They love it. The next thing that appeals to their senses is the games. We have an area for hockey, dodge ball, and wall ball. We also have foosball, ping-pong, and air hockey tables. When the weather is nice we use our field for ultimate Frisbee, wiffleball, and kickball.

Even though those are usually the things our students are drawn to, they will come to find that we are about so much more than simply having fun. Every Friday night we have a time of worship and Bible study. We start out in a large group where the lesson for the night is presented, and then they break into small groups based on age and gender. All of our lessons this year flow from helping the students understand why we do what we do and why we believe what we believe. In addition to the large and small group lessons each Friday night, there are other opportunities for the students to learn and grow, such as Bible studies before youth group starts, and the Winter Retreat.

We understand the importance of having good Christian friends and that's why we provide many opportunities outside of regular youth group for fellowship and fun. Here are a few examples: Fun Nights, Group Nights, Hayride, Lockin, Retreat, Ice Skating, Paintball, and more.

Lastly, we teach our students that, while this youth ministry is for them, it's not all about them. Right from the start we teach them the importance of service in this community, in other communities, in our church, and around the world. Here are a few examples: Sr. High prays for a Jr. High student, we take an offering every month for a child in Haiti, GW Fundraiser, Star of Hope, Leaf Raking, Center for Food Action, a day of service at FTC, Eva's Kitchen, Pregnancy Resource Center, Summer Missions Trip, Summer Program, VBS, Youth Sunday, and more

What could you expect?

As a parent of a child in our youth program you can expect to be informed on everything we do. Your partnership in this ministry is vital, since we can only do so much. We only have them one night a week, but you have them always. For this reason I send weekly emails, which includes the lesson, a look at what's coming up, and other miscellaneous things. If an event is coming up, I email the specifics at least 5 days in advance. If your child's behavior is out of line, and worthy of a call, I call. The line of communication isn't only one way. Please email me or call the church office if you have any questions.

Dear Family and Friends of Fardale Trinity Church:

Fardale Trinity Church's Youth Ministry continues to be a blessing to many people in our community. We have a desire to teach our teens about God, who He is, and how they can live for Him everyday. What began as a small gathering of 5 teenagers back in 1998, has grown to close to 40 teenagers in 2016. Our teens look forward to our ministry where they feel welcomed, accepted, and loved. Thank you for your part in getting them here every Friday night.

In addition to the worship, fellowship, Bible lesson, and hangout every Friday night, we offer so much for your son/daughter throughout the year. There are some things that we do that we ask them to pay for, but many of our events are of no cost. Our Bonfire, Lockin, Jr/Sr High Fun Nights, Guys/Girls Fun Nights, Youthie Awards Night, and Graduation Party are just a few of the fun things we offer with no cost.

We know that in order for this ministry to be a success we need the working of the Holy Spirit in and through us. Without the working of the Holy Spirit, all of our efforts fall short. We also know that we need your help, and that is why I'm writing this letter. First, we need your prayer. Please pray for our leaders and our children, that God would do a special work in their lives. Second, we are looking for financial support for our ministry. Anything you'd be able to give would be a huge blessing and it would help fund our ministry for this 2016/2017 school year.

If you are willing/able to give in any way, please make a check payable to Fardale Trinity Church and write "Youth Ministry" on the memo line. You can mail your support to 73 Chapel Road, Mahwah, NJ 07430. Thank you in advance for your partnership in this ministry!
